

EQUESTRIAN THERAPY - Continued

We are extremely fortunate to have Special Education teacher Evelyn Marshall and Special Care Services director Chayo Chavez, certified by NARHA (North American Riders for the Handicapped Association), lead this program along with other qualified volunteers and staff. We are also lucky to have Pippi, our good-natured, gentle horse. This wonderful equestrian therapy program is supported entirely by donations.

You can honor someone you love by sending a donation celebrating Pippi and our Equestrian Therapy Program. **IT'S EASY:** Send a check to Vista Hill – 8910 Clairemont Mesa Blvd., S.D. 92123 -- Attention: Pippi OR click on Donate and fill in required information (Choose “Stein Education Center -- Special Care Services“ under Select a Designation) OR call **858-514-5151**.
