## Supporting Mother Hubbard's Cupboard Food Drive July 6<sup>th</sup> - August 14<sup>th</sup> 2010

### Old Mother Hubbard

Old Mother Hubbard went to the Cupboard  
to cook up some biscuits and stew.

But when she got there, the cupboard was bare,  
and she didn't know what to do!

**Old Mother Hubbard needs your help to fill the cupboard!**

In 2007, the **Mother Hubbard's Cupboard** project was launched at Vista Hill's ParentCare Center. The "Cupboard" provides healthy emergency food supplies, and nutrition education, to low income young mothers & their children.

**How can you help?...Please donate non-perishable foods!**

### **Nutritious, non-perishable food items**

(Examples: canned tuna, granola bars, 100 calorie snack bags, no salt nuts, soup, cereal with low or no sugar, canned beans, rice, pasta, tomato sauce, canned fruit and veggies, apple sauce, rice cakes, oatmeal, juice, trail mix, etc.)

**All donations can be dropped off July 6<sup>th</sup> - August 14<sup>th</sup> to the following address:**
